

Dear Guests, Colleagues and Friends,

As the Holiday Season is fast approaching, we are reflecting on how the upcoming festivities will be different.

Times when we would be planning gatherings to celebrate family and friendships, we are faced with challenges that are difficult and sad for many. COVID-19 has touched all of us in different ways. The Tourism and Hospitality business has been deeply impacted, along with those who depend on this market for their livelihood.

The Holidays are a time of giving, and we'd like to give you a huge thanks for being our loyal customer. In the spirit of giving, we ask you to consider supporting local businesses that are struggling. Where there is an option, reach out directly to the business, for the best value. Now is a time to stand together and show your support to the members of our communities.

We value each and every one of our customers and cannot express our gratitude enough for your ongoing support.

Like customers and clients, our business would not be able to operate without our valued employees. They are a true inspiration to our business and continued success. Your patronage is helping us to support our team members in the best possible way.

Please take care of each other this Holiday Season as we extend our wishes for a safe, relaxing time spent with those closest to you. We look forward to seeing you all very soon.

Sincerely and with gratitude,

Keith Levit, President
